

- It is very clear from the Council's representations that the current proposals do not sufficiently avoid, minimise, mitigate or compensate impacts of the proposed development. Many issues raised in previous rounds of consultations remain outstanding, and the lack of improvement and progress regarding many of these issues is very disappointing considering how early in the development process the council raised its concerns. The Relevant Representation document fully details the council's proposed position and lists the areas where it believes EDF Energy needs to undertake further work.
- Suffolk County Council has always supported the principle of a new nuclear power station at Sizewell and recognises that Sizewell C would offer an important contribution to the national energy strategy. The council would also welcome the benefits of new jobs and skills. However, it cannot support the current proposals presented by EDF Energy as they stand today.

## Window now open to apply for primary and secondary school places

Parents and carers can now apply for primary and secondary school places for September 2021.

The deadline for applications to secure a place at a Suffolk secondary school is Saturday 31 October 2020 and for primary schools it is Friday 15 January 2021. Secondary schools include high and upper schools and primary schools include infant, junior and middle schools. All applications received by these dates are processed at the same time, using the schools' oversubscription criteria to prioritise applications where necessary. Late applications are processed after all of those received on time.

## Have your say on a new political map for Suffolk County Council

New boundaries are being proposed for council divisions in Suffolk County Council.

The Local Government Boundary Commission wants to hear what residents and local organisations think about the proposals. A 10-week consultation on the proposals will run until 23 November 2020.

The Commission has a dedicated section on its website where people can see the detail of the proposals and comment on the names of divisions, their boundaries and the number of councillors per division: <https://consultation.lgbce.org.uk/node/18495>
